The billing and practice program I use (My Clients+/Health Connx) has an appointment reminder feature. This program can text a reminder 1-5 days before your appointment. The text will read: "You have an appointment with NewPathsTherapy/Sheri Rezak-Irons,LCSW on (Date) at (time). Pls call 24 hours in advance to cancel. (314)304-3292." The service will just have your phone number and appointment time-not your name. If you choose to use this service, please fill out the information below. **Please inform me immediately if you would like to cancel the text reminders, or have a change in your phone number.** If you get a text about your appointment time that conflicts with what you have on your calendar, please call Sheri Rezak-Irons, LCSW as soon as possible.
